MEMORANDUM FOR: Chairman, National Intelligence Council
FROM: Director of Central Intelligence
SUBJECT: NIC Production Plan

1. I am very pleased with what you have done with the NIC Production Plan. In light of the urgency of our concerns and the amount of information we have on hand, it would be well if the estimates on Troubled Syria and on Libyan and Syrian Support for Terrorism could be brought forward. This, however, is not worth changing your program and Troubled Syria is probably more important to bring forward than Libyan and Syrian Support or Terrorism which is constantly updated.

2. I like your approach to DIA's request for an MIA estimate.
